

2017 Shanghai 'The Belt and Road Initiative' Scholarship(ECUST) Schedule

Date	Morning	Afternoon
May 14 (Sunday)	Arrive in Shanghai, Check in Overseas Student Apartment	
May 15 (Monday)	Opening Ceremony	Chinese Class
May 16 (Tuesday)	Theory Lecture:Energy Chemical Engineering 1	Culture Experience: Chinese Calligraphy
May 17 (Wednesday)	Shanghai Chemical Industrial Area Field Research	
May 18 (Thursday)	Chinese Class	Practical lecture: Chinese Economical Situation Analysis
May 19 (Friday)	Theory Lecture:Energy Chemical Engineering 2	Cutting-edge Subject: Transformation and Upgrading of Energy and Chemical Enterprise
May20-21 (Saturday-Sunday)		
May 22 (Monday)	Chinese Class	Practical Lecture: International Energy industrial development Status and Future Analysis
May 23 (Tuesday)	Practical Lecture: Modern Oil Refining Technology 1	Culture Experience: Chinese Tea Art
May 24 (Wednesday)	The Dow Chemistry/BASF Field Research	
May 25 (Thursday)	Chinese Class	Practical Lecture: Energy and Chemical Industry Value Chain Analysis

May 26 (Friday)	Practical Lecture: Modern Oil Refining Technology 2	Cutting-edge Subject: Intelligent Factory
May 27-28 (Saturday-Sunday)		
May 29 (Monday)	Chinese Class	Practical Lecture: Energy and Chemical Enterprise Process Management and
May 30 (Tuesday)	Practical Lecture: Petrochemical Industry Environmental Protection 1	Culture Experience: Chinese Martial Arts
May 31 (Wednesday)	Chinese Class	Cutting-edge Subject: Natural Gas Desulfurization technology
June 1 (Thursday)	Practical Lecture: Petrochemical Industry Environmental Protection 2	Practical Lecture: Energy and Chemical Enterprise New Operation Method and Marketing strategy
June 2 (Friday)	Practical Simulated Sand-table Exercise	Graduation Ceremony
June 3-4 (Saturday-Sunday)	Leave Shanghai
