## HUTECH UNIVERSITY | 2022 INTERNATIONAL CONFERENCE

### on Science, Technology and Society Studies (STS 2022) — Open for Submission

Dear Colleagues,

It is with great enthusiasm that we announce **The 3rd International Conference On Science, Technology and Society Studies (STS 2022)**. The conference is organized by HUTECH University and co-organized by the JTIN open access journal (<https://jtin.com.my/>). It will be held in Ho Chi Minh City, Vietnam on July 22, 2022.

This conference will provide leading scientists working in this field with a platform to share their latest research and engage in exciting discussions. The main topics of the conference on science and technology include but are not limited to:

- \* Information Technology;
- \* Electrical, Electronic, and Mechanical Engineering;
- \* Civil, Architecture, and Environmental Engineering;
- \* Advanced Materials;
- \* Agricultural, Environmental, and Food Science;
- \* Health Science.

After the conference, all accepted conference papers will be published in the proceedings of this conference with ISBN and considered for publishing in JTIN. **All participants must register for the conference at the link <https://tinyurl.com/sts-registration> before submitting an extended full paper to the issues in JTIN** (see in the instruction for authors).

The following is the schedule for the STS 2022

- \* Full paper submission Deadline: 8 April 2022;
- \* Notification of acceptance: 9 May 2022;
- \* Conference date: 22 July 2022.

All conference participants must pay the registration fee. At least one author from each article must attend and pay the registration fee (25 USD or 500,000 VND).
